STOOL OLENA

With the Olena model in an elegant woven design – available as an armchair, 1-seater element, corner element and footstool – outdoor areas can be transformed into cosy retreats. The aluminium frame is woven with flat polyethylene band in coffee brown. The feet are made of aluminium with a stainless-steel look. A theft protection device can be fitted. The seat and back cushions are equipped with a removable and washable SUNBRELLA cover. They should be protected from moisture and stored in a dry place when not in use. Store the cushions indoors and make sure that they are completely dry before storing and covering them.
