

CHAIR GRETA

The fan back and typical bentwood curves will never go out of style: the classic beech wood bistro chair is available in walnut and black finish, with or without armrests or optional seat cushion. Bentwood is bent solid wood. The process of bending wood without it breaking was developed around 1830: the master carpenter Michael Thonet succeeded in using steam to give wood a stable bent shape - steam causes the lignin, which is responsible for the strength of wood, to soften and the piece of wood can be bent. The process is still called the Thonet process after its inventor. Beech wood in particular is very easy to bend into a beautiful shape due to its comparatively short wood fibers.

Product details

Product Code:	101SA9
Model name:	Greta
Product type:	chair
Frame material:	beech
Frame colour:	walnut stained and varnished
Seat cushion:	fabric Rubi
Seat cushion colour:	taupe
Assembly state:	partially assembled
Produced in Germany or Europe:	yes
Upholstery can be reupholstered/replaced:	yes
Sustainable:	yes

Technical specifications

Product Code:	101SA9
Model name:	Greta
Product type:	chair
Seat cushion:	fabric Rubi
Application area:	indoors
Height:	79 cm
Seat height:	49 cm
Width:	45 cm
Depth:	48 cm
Seat depth:	41 cm
Weight:	5.1 kg
Not suitable for:	mountain-,maritime-,desert-climate,swimming-pools
