

2-SEATER LOUNGE **ZAKI**

The Zaki outdoor series includes an armchair, a lounge chair and a 2-seater lounge with a powder-coated aluminium frame. All models are stackable, easy to handle and therefore ideal for venues with frequent rearrangements and limited storage space. Seats made of Textilene and backrests made of rope weave are quick-drying and do not absorb water – perfect for continuous outdoor use. The materials are low-maintenance, UV-resistant and weatherproof, keeping maintenance requirements to a minimum. This makes the series particularly suitable for gastronomy, hospitality and demanding contract areas with high frequency.

- lightweight and stackable
- Quick-drying seat and back
- lightweight aluminum frame
- UV-resistant and weatherproof
